1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of sce&g

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I own a small business in Charleston SC. We must use SCE&G. There is no competition to keep prices down. My bill is up 296.30 this month over last years bill, even though I used 67 less Kwh this year. my natural gas usage was up in 2012 by 14 therms.

I just feel that since SCE&G has a monopoly, they should not be granted a rate increase at the cost of hurting business's in Charleston.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

only if needed
